Cancer Quest @ Techniquet Glyndwr

30 & 31 OCTOBER 2017
TECHNIQUEST GLYNDWR, WREXHAM

LEARN ABOUT CANCER RESEARCH

We will have a whole host of activities available for visitors, including...

Inflatable bowel

Step into our giant inflatable to learn more about bowel cancer.

DNA

Learn how to extract DNA from strawberries in our lab practical.

Cellfies

See what you're made of by looking at your own cheek cells under a microscope.

Stalls

Visit several stalls, all featuring fun activities and useful information.

JOIN IN THE FUN!

The Wales Cancer Partnership draws together organisations that are working across Wales to improve outcomes for cancer patients.

Five organisations are coming together to present their work at Techniquet Glyndwr this half term. Come and learn more about what scientists are doing across Wales to beat cancer, and get involved yourself by having a go with our hands on activities.

Our staff will be running activities from 10 - 4 both days. Taking part is fun, suitable for all ages, and is included in your entrance fee. We look forward to seeing you there!

Dysgu am Ganser Yn Techniquet Glyndwr

30 a 31 HYDREF 2017
TECHNIQUEST GLYNDWR, WRECSAM

DYSGWCH AM YMCHWIL CANSER

Bydd gennym amrywiaeth eang o weithgareddau ar gael i ymwelwyr, gan gynnwys...

YMUNWCH I'R HWYL!

Mae Partneriaeth Cancer Cymru yn dod i sefydliadau sy'n gweithio ledled Cymru at ei gilydd i wella canlyniadau i gleifion cancer.

Mae pum sefydliad yn dod ynghyd i gyflwyno eu gwaith yn Techniquet Glyndwr yr hanner tymor hwn. Dewch i ddysgu mwy am beth mae gwyddonwyr yn ei wneud ledled Cymru i guro cancer, a chymerwch ran eich hun drwy roi cynnig ar ein gweithgareddau ymarferol.

Bydd ein staff yn cynnal gweithgareddau rhwng 10 a 4 o'r gloch ar y ddau ddiwrnod. Mae cymryd rhan yn hwyl, yn addas i bobl o bob oedran, ac mae wedi'i gynnwys yn eich ffi mynediad. Edrychwn ymlaen at eich gweld yno!

Coluddyn Aer

Camwch i mewn i'm coluddyn aer enfawr i ddysgu mwy am ganser y coluddyn.

DNA

Dysgwch sut i dynnu DNA o fefus yn ein sesiwn labordy ymarferol.

Micro hunlun

Cyfle i weld eich hun ar lefel ficrosgopig drwy edrych ar gelloedd eich boch eich hun dan ficrosgop.

Stondinau

Nifer o stondinau, gyda gweithgareddau hwyl a gwybodaeth ddefnyddiol ar bob un ohonynt.
